Introduction

NUS Students' Computing Club is the official faculty club of the NUS School of Computing (SoC) and the sole union representative of all SoC students.

Each year, we organise **15+ events and initiatives** for the Computing community, ranging from welfare and sports activities to freshmen orientation camps, hackathons and community service projects.

With **30 Management Committee (MC) roles** across different areas of the Club, there are plenty of opportunities for you to find a role that matches your interests and strengths. More than just organising events, joining Computing Club gives you the chance to **make a difference in the SoC community while growing alongside it**.

You'll get to meet and work with people from across SoC, **form lasting friendships**, and **develop valuable soft skills** such as leadership, communication, teamwork and project management through hands-on experience.

Whether you want to contribute to student life, challenge yourself, pick up new skills, or simply meet new people, there's a place for you in Computing Club. **Come be part of the team and help us make SoC a more vibrant and connected community!**

Presidential Wing

President

- Lead the Club's overall budget planning and event timeline coordination
- Represent SoC students and Computing Club in NUSSU and university-wide initiatives, such as the NUS Senior Management Dialogue
- Facilitate communication and alignment between Management Committee members and staff advisors
- Provide overall direction to the Management Committee and support Directors in executing their initiatives

Tech Lead

- Ideate and develop technical solutions for the Management Committee, such as hackathon websites and internal tools
- Work with different wings to identify opportunities where technology can improve club processes and events
- Recruit and lead your own Tech subcommittee to support the development and maintenance of MC projects

Finance Secretary & Deputy Finance Secretary

- Lead the Club's budgeting, procurement and reimbursement processes
- Work with Directors to plan event budgets and ensure funds are allocated effectively
- Standardise financial workflows and standard operating procedures (SOPs) for club subcommittees
- Ensure financial processes comply with NUS and relevant regulatory requirements

General Secretary & Deputy General Secretary

- Organise internal cohesions and bonding activities for the Management Committee
- Facilitate Management Committee and P-Wing meetings
- Send out updates via Telegram Channel and Outlook Email
- Oversee the Computing Club room and storeroom, including the management and loaning of SoCCat to offices such as UGO and SLO
- Support the President in coordinating Management Committee and maintain relationships with staff advisors

Internal Relations Wing

Vice President (Internal Relations)

- Oversee and support the Welfare and Sports Directors in planning and executing their events
- Assist Directors in liaising with staff advisors for approvals and administrative matters
- Coordinate with other cells within Computing Club, such as Sponsorships and Publicity, to ensure smooth event execution
- Handle key administrative matters such as budget planning, venue bookings, NUSync and NUSFastPay forms

Director & Deputy Director of Welfare

- Plan the Welfare Cell's annual event calendar and propose the budget required for each initiative
- Organise welfare initiatives for SoC students, such as Exam Welfare Packs, Movie Night and ad-hoc welfare events
- Recruit and manage your own Welfare subcommittee, including Project Directors, Logistics Heads and a Treasurer
- Oversee event proposals, logistics and expenditure across Welfare initiatives
- Look after the overall welfare and well-being of the SoC student community

Director & Deputy Director of Sports

- Oversee and promote sports activities within SoC through initiatives such as CdeBizCom League, Archery Fun Shoot and E-Sports Night
- Vet event proposals and work with partner clubs and faculties to organise collaborative sporting events
- Lead SoC's participation in the Inter-Faculty Games (IFG)

External Relations Wing

Vice President (External Relations)

- Oversee and support the Sponsorship, Merchandise and Publicity Directors in their respective initiatives
- Assist Directors in liaising with staff advisors for approvals and administrative matters
- Coordinate across different cells within Computing Club to ensure smooth execution of events and initiatives

Director & Deputy Director of Sponsorship

- Source and engage new and returning sponsors to build long-term partnerships with Computing Club
- Represent the Club at networking events, career fairs and company events to connect with potential sponsors
- Manage sponsorship agreements and liaise with staff advisors on contract approvals and signing
- Maintain relationships with existing sponsors and ensure that contractual obligations and deliverables are fulfilled
- Act as the main liaison between Computing Club and its sponsors

Director & Deputy Director of Merchandise

- Manage regular merchandise collection sessions and respond to enquiries regarding orders and collections
- Keep track of merchandise inventory and coordinate restocking when necessary
- Plan and execute large-scale merchandise sales, particularly during the Freshmen Orientation Programme period
- Design new Computing Club merchandise and source suitable suppliers
- Oversee the end-to-end merchandise process, from design and procurement to sales and distribution

Director & Deputy Director of Publicity

- Plan and oversee Computing Club's overall publicity and branding efforts
- Manage the Club's Instagram and LinkedIn channels, including handling and directing external enquiries
- Coordinate and vet publicity requests from different wings and events
- Liaise with SoC staff advisors to obtain approval for publicity materials where required
- Manage the Publicity subcommittee, including delegating work and reviewing publicity materials
- Support the creation of publicity materials when additional manpower is required

Student Life Wing

Vice President (Student Life)

- Oversee and support the Freshmen Orientation Projects and Student Engagement Directors in their respective events
- Assist Directors in liaising with staff advisors for approvals and administrative matters
- Coordinate with other cells within Computing Club, such as Sponsorships and Publicity, to support event execution
- Handle key administrative matters such as overall budget planning, venue bookings, NUSync and NUSFastPay forms

Directors of Freshmen Orientation Projects (FSC, FOW and FFC)

- Lead the planning and execution of one of Computing Club's three major freshmen orientation programmes: Freshmen Social Camp (FSC), Freshmen Orientation Week (FOW) or Freshmen Finale Camp (FFC)
- Recruit and lead a subcommittee to plan and organise the camp
- Oversee overall camp operations and ensure teams such as Programmes, Logistics and Publicity work together smoothly
- Review and manage the camp's budget, logistics and administrative requirements
- Ensure that appropriate safety protocols are followed throughout the camp
- Make key decisions, resolve conflicts and respond to unexpected or emergency situations during planning and execution

Director & Deputy Director of Student Engagement

- Recruit and lead a subcommittee to organise major student engagement initiatives such as COMaraedrie and Computing Day
- Work with stakeholders such as OSA and SLO to plan programmes, recruit volunteers and coordinate administrative matters
- Oversee programme flow, participant sign-ups, venue arrangements and other event logistics
- Support Computing Club's involvement in events such as NUS Open House, including planning and managing the Club's booth

Student Development Wing

Vice President (Student Development)

- Oversee and support the Academic Liaison, Community Engagement, RAG and Flag Directors in their respective initiatives
- Assist Directors in liaising with staff advisors for approvals and administrative matters
- Work closely with the Sponsorship Cell to engage companies for initiatives such as LifeHack and Career Launchpad
- Handle key administrative matters such as budget planning, venue bookings, NUSync and NUSFastPay forms

Director of Academic Liaison & Deputy Director of Academic Liaison

- Oversee and ensure the successful execution of academic and career-related initiatives, such as LifeHack and Career Launchpad
- Vet and support proposals prepared by Project Directors
- Work closely with the Sponsorship Cell and participating companies to ensure partnership requirements are met
- Support the planning and coordination of event logistics and administrative matters

Director of Community Engagement

- Work with Project Directors to organise technology-related volunteering and community initiatives, such as Youth Empowerment Initiative and Silver Companionship
- Oversee the planning and execution of community engagement projects
- Manage administrative matters such as proposal vetting, approvals, submissions and budgeting
- Coordinate with relevant stakeholders to ensure projects run smoothly and create meaningful community impact

Director of RAG

- Serve as the Project Director of NUS SoC RAG, acting as the key liaison between NUSSU, SoC staff advisors and the RAG Organising Committee
- Recruit and lead a RAG subcommittee to prepare for the annual performance
- Oversee the planning, coordination and execution of SoC's RAG efforts
- Manage relevant administrative and logistical requirements throughout the project

Director of Flag

- Serve as the Project Director of NUS SoC Flag, acting as the key liaison between NUSSU, SoC staff advisors and the Flag Organising Committee
- Oversee the planning and execution of SoC's Flag initiatives and fundraising activities
- Manage administrative matters such as writing, vetting and submission of proposals
- Support and organise related initiatives such as Flag Valentine's Day

Contacts of Outgoing MC Members

Feel free to reach out to the outgoing Management Committee members if you would like to learn more about a role, its responsibilities, or their experience during their term.

To clarify, the Director of Marketing was previously responsible for both Sponsorship and Merchandise. The role has since been restructured into separate Sponsorship and Merchandise roles.
